CADELYS

PRODUCT SHEET

The ready-to-use **CADELYS** paste, made from clays, algae and seawater, is enriched with cade oil and powdered flax seeds. This natural formula is designed for weakened hooves and helps **nourish, disinfect and deeply cleanse the hoof** to ensure your horse's comfort.

COMPOSITION

Filtered seawater, Kaolinite clay, Bentonite clay, Green clay, Lithothamnion, Vegetable glycerin, Cade oil, Flaxseed powder.

BIENFAITS

- **Soothes and hydrates:** Kaolinite clay provides a soothing and remineralizing effect, supported by vegetable glycerin, which helps maintain hydration.
- **Detoxifies:** Bentonite clay helps absorb toxins and impurities.
- **Drains and relieves:** Green clay is known for its draining, healing and decongestant properties.
- **Protects:** Cade oil provides powerful antiseptic and antifungal properties.
- **Nourishes:** Powdered flaxseed works deep into the hoof to nourish and strengthen it.

DIRECTIONS FOR USE

- Thoroughly clean and dry the hoof before application.
- Wearing gloves, apply a thick layer under and/or over the hoof.
- Leave to act for **12 to 24 hours** for optimal results.
- Pick out the hoof to remove the clay or brush it off.
- Repeat as often as necessary.

STORAGE

Store between **5°C and 20°C**. Do not expose to sunlight or frost. Close tightly after use.
Use within **6 months** of opening.

PRECAUTIONS FOR USE

Suitable for regular or occasional use. **Wear gloves** when handling the product.
Read all instructions carefully and follow them strictly.
This product is **not a medicinal product** and must not be used as such.
Formulated for horses.
