REB MARINE

PRODUCT SHEET

REB MARINE clay is renowned for its exceptional properties. Rich in marine minerals, it provides a **100% natural** solution for the care of your horse's **tendons**, **joints**, and **muscles**. It promotes recovery after exertion and contributes to overall mobility and comfort.

COMPOSITION

Filtered seawater, Bentonite clay, Kaolinite clay PH7, Lithothamnium, Vegetable glycerin, Eucalyptus scent.
Contains **no essential oils**.

BENEFITS

- Helps **eliminate toxins** and purify tissues.
- Promotes **muscle and tendon recovery** after exercise.
- **Stimulates** blood and lymphatic **circulation** thanks to its astringent effect.
- **Soothes sensitive areas** and supports joint comfort.

The unique feature of **REB MARINE** lies in its ability to be **applied to small,** superficial **wounds**. It **aids** the **healing process** while protecting and purifying the affected area.

COMPOSITION

Filtered seawater, Bentonite clay, Kaolinite clay PH7, Lithothamnium, Vegetable glycerin, Eucalyptus scent.
Contains **no essential oils**.

DIRECTIONS FOR USE

- 1. After exercise, **clean** and **dry** the areas to be treated.
- 2. Apply a minimum thickness of **5mm**, first working against the hair grain, then smoothing downwards from top to bottom.
- 3. For optimal results, we recommend **not covering** the clay.
- 4. Leave on **until** completely **dry**.
- 5. Finally, **rinse** thoroughly with clean water.
